

src/lsm_tree_wrapper.cpp

```
graph TD; A[src/lsm_tree_wrapper.cpp] --> B[string]; A --> C[mutex]; A --> D[lsm_tree.h];
```

A diagram illustrating the dependencies of the file `src/lsm_tree_wrapper.cpp`. The file is shown in a grey box at the top. Three blue arrows point downwards from this box to three separate white boxes below it, representing the dependencies: `string`, `mutex`, and `lsm_tree.h`.

string

mutex
